Grade 4

Reading

❼

The back porch is a special place for her to be alone and it can be a special hiding place to be away from her brothers and sisters. It's also a favorite so she can sit and feel the strips of sunlight widh she likes. The porch is a fun place to sit under ALONE!

❼ I think the porch is a special place. Because it is quit and pecfull. But afcors nobudy bothers you and sunlit cumes therew the cfacs.

❼ Under the porch is special to her because she can be alone and she can smell damp moss and last she can rest.

❼ It is special because she likes to be alone.

❼ Because it reminds him of places.
