TOTAL	21	11,861		\$12,862,865

The FY17 SBA Capital Fund is intended to fund high priority projects across the State, as defined by the RIGL 16-105-3 (7). High priority projects are those intended repair and/or renovate building systems which are unsound or otherwise in a condition seriously jeopardizing the health and safety of school children. **The SBA Capital Fund will leverage local dollars to complete \$14.7M worth of projects.** These high priority projects will address building, health and fire safety code deficiencies to ensure that building conditions do not interfere with the delivery of a high quality education.

School Building Authority Capital Fund Project Priorities by School

Pawtucket
