

# Did You Know?

## You Have Access to the Nation's Only Real-Time Student Outcome Research Tool

**FREE** for all  
**Rhode Island**  
high schools!

*Easily track your graduates' careers in higher education nationwide, no matter where they go!*

You no longer have to make cold calls or purchase expensive surveys to learn about your students' pursuits in postsecondary education. **StudentTracker**<sup>SM</sup> currently covers **96%** of all students enrolled in public and private U.S. institutions – updating you with real-time facts about your graduates and their educational achievements.

Receive an annual student tracking report with 40+ color graphs and charts **AT NO COST** Already at your fingertips, this invaluable tool offers the verified enrollment, persistence, and completion data as reported in the U.S. Digest of Educational Statistics.

## Keep Up with Each Graduate Class

- Gain reliable and real-time student details
- Learn where students enroll, transfer, and graduate from college
- Track in-state and out-of-state enrollments anywhere in the U.S.
- Find out if and when students earned college degrees or certifications
- Calculate future dates of graduation
- And much more!

**Plus** your subscription allows you to access data for up to eight years of previous graduate classes!
