

## CCSS Mini Grant Rubric

Section				Points
	10			0
Required Information	All required information is included.	/		Missing any required information.
	40	30	20	0
Project Summary	Concise, clearly articulated plan includes all required information. Approach is clearly outlined and aligned to the goals of the mini-grant.	Includes all required information. Description is lacking some detail that would clearly articulate the project.	Missing one piece of required information. OR Summary is at times unclear or missing descriptive information.	Summary is unclear or lacking key information. Project is not articulated OR project does not align with CCSS implementation
CCSS Implementation Goals and Deliverables	Deliverables are directly linked to goals. Clear that project is part of an overall plan for CCSS implementation. Includes short term and long term strategy and impact.	Deliverables may be indirectly linked to goals but overarching goal of CCSS implementation is still clear. Long and short term strategy and impact lacks detail.	Some goals or deliverables from summary are missing or unclear. Minimal connection to CCSS implementation plan.	No connection is made to overall CCSS implementation strategy. Missing goals or deliverables.
	40	30	20	0
LEA CCSS Implementation Plan	Plan is clear, understandable and relevant to the application.	/		Plan lacks key details or is incomplete. OR Cohort plans are missing.
	10		5	0
Budget	Budget is realistic and follows requirements. Budget clearly supports goals and deliverables.	/		Budget does not follow requirements and/or is missing.
