

## **Student Registration for the Advanced Coursework Network**

1. Create an account in the upper right side of the screen.
2. Return to the main page and search for courses.
3. You can search by Semester, Modality (face to face or online), Discipline and Credit type (high school credit, career certificate or college credit).
4. Click into courses you are interested to learn more.
5. Review the prerequisites to see if you meet the requirements to take the course.
6. Click “Preregister” and follow the directions on screen.
7. You and your school point of contact will get a confirmation email.
8. Your school contact will approve or deny your registration. You’ll get an email letting you know of the decision.
9. Log onto [Ride.Gosignmeup.com](http://Ride.Gosignmeup.com) to review or change your courses in your account profile. You’ll also see announcements for the course here. These announcements will also be emailed to you.
