

Math CCSS – Treasure Hunt

What are the 8 Standards for Mathematical Practice?

- 1.
- 2.
- 3.
- 4.
- 5.
- 6.
- 7.
- 8.

What is found at the beginning of each grade level and Conceptual Category?

What is an „Ah ha“ you have about the K-8 Standards?

An „Oh No!“?

Look at the Domains in the following grade levels:

Kindergarten – Third Grade –
Sixth Grade – High School –
Discuss your findings with your group.

Find a footnote at your grade level.

Interpret what it means.

Look over “How to Read the Grade Level Standards.”

What is the Common Core equivalent to the Rhode Island Standards?
