RIDEMAP

### About RIDEMAP

One of the priorities in our strategic plan, Transforming Education in Rhode Island, is to develop user-friendly data systems that will improve student learning and achievement. The RIDEMAP portal provides you with the access to resources and support that will help you to do your job well.

We have put a number of security measures in place to ensure the privacy and the integrity of the data and information in RIDEMAP. We will continue to add more features to RIDEMAP, and we will continue our commitment to improving user access and to maintaining data accuracy. We invite you and your colleagues to make good use of the RIDEMAP systems, and we welcome your comments or feedback about RIDEMAP, by going to our support page at <https://support.ride.ri.gov>.

If you would like further information on how to use RIDEMAP please click on the following link - [RIDEMAP User Manual](#) or you can click on the blue help icon in the upper right corner of your screen.

### About RIDEMAP

RIDEMAP includes a number of data systems to improve teaching and learning in Rhode Island:

- Login System:** managing user profiles and controlling access to RIDEMAP
- Educator Performance and Support System - EPSS:** guiding you through the evaluation process (September 2012)
- Instructional Management System - IMS:** providing you with data and information on curriculum, assessments, and professional development (September 2012), including:
  - Formative Assessments:** providing online professional development about formative assessments (September 2012)
  - Interim Assessments:** providing a system of interim assessments in English language arts and mathematics for students in grades 3 through 11 (coming in September 2012)
- Rhode Island Certification System - eCERT:** bringing together data and information on applying for and renewing your certification (coming in November 2012)
- Growth Model Visualization:** offering a graphical, dynamic way to look at changes over time in student and school achievement (coming in 2013)

RIDE also has a helpdesk to assist you with questions or issues you may have with these applications. [Click here to enter a ticket.](#)

# Teacher – IMS Dashboard

The screenshot shows the IMS RIDE Dashboard in a Windows Internet Explorer browser. The address bar displays the URL: <https://ims.ride.ri.gov/ClassCE/PortalPage.aspx?OrgId=900001290000000000&CustomPageId=900003170000000000&CustomPageCtx=User/>. The browser's address bar shows the McAfee logo and the text 'RIDE Dashboard'. The dashboard header includes the IMS logo, the text 'Rhode Island Instructional Management System', and a search bar with the text 'Jessica Brown | Account | Sign out | Help | All | Enter Search Text...'. The main content area features a 'RIDE Dashboard' section with a 'Dashboard' sub-section. Below this is a 'My Applications' section containing several application tiles: 'CURRICULUM', 'REPORTS', 'EXCEED RTI', and 'RHODE ISLAND Interim Assessment'. The 'RHODE ISLAND Interim Assessment' tile is expanded, showing a dropdown menu with options: 'Test Management', 'Test Construction', 'Scanning', and 'Scoring'. A red arrow points to the 'Test Management' option. Below the 'My Applications' section are 'Announcements (0)' and 'Tasks (0)' sections, both indicating no current items. The footer of the dashboard includes the Pinnacle GlobalScholar logo and copyright information: '2012 Back to School v14.0.1.1 Privacy Policy | Terms of Use | Copyright © 2012 Globalscholar. All rights reserved.'

From the IMS RIDE Dashboard, hover over the Rhode Island Interim Assessments link and click on Test Management.

# Teacher – Test Management Home Page

The screenshot shows a web browser window titled "Test Management - Mozilla Firefox". The address bar displays the URL "https://bas-score.uat.measuredprogress.org/TSA/TestSchedule". The page header includes the "RHODE ISLAND Interim Assessment" logo and the text "Test Management". A welcome message reads "Welcome, Dena Francescon | Help". Below the header is a breadcrumb trail: "Test Management Home > Test Management".

The main content area is titled "My tests" and includes an information icon. A note states: "Hover over the 'action' link to see the tasks available for each test." Below this is a table of "Scheduled tests (2)".

Test name	Grade	Content	Start date	End date	Created by	Action
Grade 3 Reading		Language Arts	Aug 13, 2012	Dec 18, 2012		Action
Practice Test1		Any	Aug 12, 2012	Dec 19, 2012		Action

The "Action" link in the first row of the table is circled in red.

Step 1: The home page lists available tests. Hover over "Action" in the row for the test you plan to administer.

The screenshot shows the Test Management web application interface. The browser window title is "Test Management - Mozilla Firefox". The address bar shows the URL: <https://bas-score.uat.measuredprogress.org/TSA/TestSchedule?schoolID=183>. The page header includes the Rhode Island Interim Assessment logo, the text "Test Management", and a welcome message: "Welcome, Dena Francescon | Help". Below the header is a breadcrumb trail: "Test Management Home > Test Management".

The main content area is titled "My tests" and includes a sub-header "Scheduled tests (2)". Below this is a table with the following columns: Test name, Grade, Content, Start date, Action, and a dropdown menu. The table contains two rows of data:

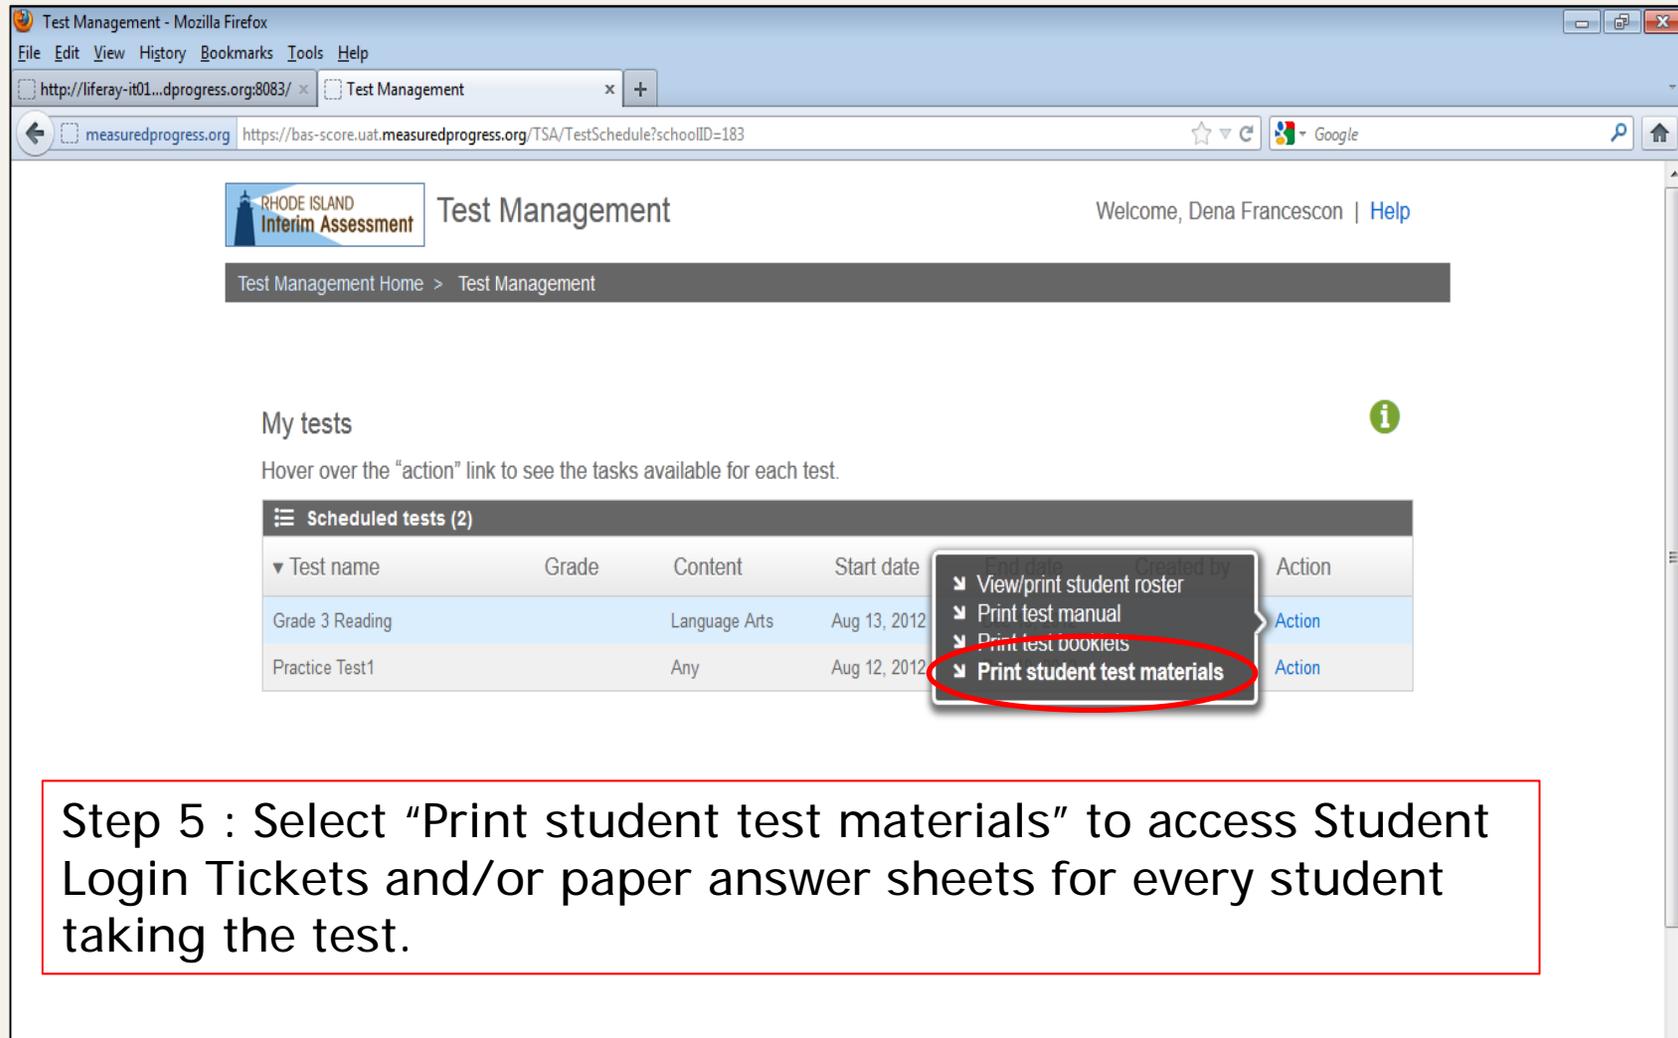

Test name	Grade	Content	Start date	Action
Grade 3 Reading		Language Arts	Aug 13, 2012	Action
Practice Test1		Any	Aug 12, 2012	Action

A dropdown menu is open over the "Action" column of the "Grade 3 Reading" row. The menu items are: "View/print student roster", "Print test manual", "Print test booklets", and "Print student test materials". The "Print test manual" option is circled in red.

Step 3: Select "Print test manual". The manual will open as a PDF to print or download. The manual is the same for all tests.

Step 4: Select "Print test booklets" if you are doing paper-based testing. Print one copy of the file. Photocopy individual forms as needed.

Helpful Tip for Paper-based Testing: Return to the student roster after generating answer sheets. The "Form" will now be populated. There are multiple forms of each test. Sort by form to determine how many photocopies of each test form are necessary. The test form must match the form pre-populated on each student's answer sheet.

# Teacher – Practice Test (online only)

The screenshot shows the Test Management interface in a Mozilla Firefox browser. The page title is "Test Management" and the user is logged in as "Dena Francescon". The breadcrumb trail is "Test Management Home > Test Management". Under the "My tests" section, there is a table of "Scheduled tests (2)". The table has columns for Test name, Grade, Content, Start date, End date, Created by, and Action. The "Practice Test1" row is highlighted, and a dropdown menu is open over its "Action" link, showing options for "Print test manual" and "Print student test materials".

Test name	Grade	Content	Start date	End date	Created by	Action
Grade 3 Reading		Language Arts	Aug 13, 2012	Dec 18, 2012		Action
Practice Test1		Any	Aug 12, 2012			Action

The Practice Test is for computer-based testing only. Every student should take the practice test at least once to become familiar with the testing interface.

# Teacher – Assign Practice Test

The screenshot shows a web browser window displaying the 'Test Management' page for 'Practice Test1'. The page title is 'Print student test materials Practice Test1 Grade'. Below the title, there is a note: 'All test materials will be displayed as a PDF. If you do not have Acrobat Reader, you can download it here.' The view is set to 'Section' and 'Entire Roster'. A table titled 'Entire Roster (22 students)' is displayed with the following columns: Last name, First name, M.I., ID, Grade, Section, Form, and Online test tickets. A red arrow points to the 'Online test tickets' column header. The table contains several rows of student data, with the 'Online test tickets' column containing checkboxes.

Last name	First name	M.I.	ID	Grade	Section	Form	Online test tickets
		A	100	03	100023/12328-1202-Ma...		<input type="checkbox"/>
		P	100	03	100023/12328-1202-Ma...		<input type="checkbox"/>

		J	100	03	100023/12328-1202-Ma...		<input type="checkbox"/>

Students need individual login tickets for the Practice Test. Select and print login tickets from the "Print student test materials" screen.

# Teacher – Practice Test Login Tickets

The screenshot shows a Mozilla Firefox browser window displaying two side-by-side 'Student Login Tickets' for the Rhode Island Interim Assessment. The browser's address bar shows the URL: <https://bas-score.uat.measuredprogress.org/TSA/TestMaterialPrint/Print?fsContentType=application%2Fpdf&dataguid=d243c3c6-d52f-4ef1-81c5>. The browser's toolbar shows the page is at 139% zoom and has 1 page.

The left ticket is for 'Practice Test1' in 'Mathematics - Gr.3'. The right ticket is for 'Practice Test1' in 'ELA Reading - Gr.5'. Both tickets list student names, IDs, user names, and passwords.

Field	Mathematics - Gr.3	ELA Reading - Gr.5
Student Name	A [redacted] S [redacted]	C [redacted] H [redacted]
Student ID	100 [redacted]	1000 [redacted]
User Name	S [redacted]	Al [redacted]
Password	cpb73	drfck

Login tickets for the Practice Test look the same as login tickets for real tests. Students will log in using their user name and password, and then select the test they will be taking. A student's user name and password is the same for all assigned tests.
