- **turn 4 years of age by September 1, 2013; and**
- **live in the community in which the PreK program is located (copy of birth certificate and proof of residency will be required upon enrollment).**

Children will be selected for enrollment through a state-supervised lottery. Each classroom will enroll 18 children. Children will be assigned to classrooms in their community of residence.

Completed applications should be returned to the program of choice. Please *do not* submit applications to the Department of Education.

Parents may apply at more than one site if multiple sites exist in the community of residence, but only one application per site will be accepted. Applications will be accepted until August 15, 2013. If selected during the lottery, enrollment will be offered for that site only.

For questions, contact Franklin Brito at franklin.brito@ride.ri.gov or 222-8184

Programming is contingent on the availability of funding.

The lottery will be conducted August 16, 2013 and selected children and families will be notified by phone.
