

RIDE Approved Career Preparation Programs

As of September 2014

The following list documents the Career and Technical Education programs that are designated as RIDE-approved.

Under the 2012 Regulations Governing Career and Technical Education in Rhode Island, all RIDE-approved career preparation programs must meet the career preparation program standards and participate in the state-managed quality assurance process that focuses on the review and approval of programs.

Students may access RIDE-approved CTE programs outside of their resident district. For more information click [here](#).
