

Sample Adult Education Quarterly Narrative Report

Due: _____

Instructions: Please, provide a brief response for each of the sections below in the space provided. If additional space is required, supplemental pages may be submitted.

2.1

Please provide a brief description of the second quarter service delivery including the following; numbers served in the second quarter, program start-end date, and summary of the progress toward your FY 2011 objectives.
Programs funded to deliver services in more than one priority area must provide detail related to each of the priority areas in the response.

2.2

Please provide detail related to any challenges or barriers which affected program implementation during this quarter.

2.3	Please note any emerging or promising practices you have identified or plan to utilize in your program.
2.4	Based on any barriers or challenges identified, please describe any professional development or technical assistance needs you may have that are not currently in your agency's PD Plan. Please also include your thoughts regarding professional development that would be helpful to you as you build on your accomplishments.
