Grade 4

Reading

7 The back porch is a special place for her to be alone and it can be a special hiding place to be away from her brothers and sisters. It's also a favorite so she can sit and feel the strips of sunlight which she likes. The porch is a fun place to sit under ALONE!

⑦ I think the porch is a special place. Because it is quiet and peaceful. But of course nobody bothers you and sunlight comes there with the cracks.

⑦ Under the porch is special to her because she can be alone, and she can smell damp moss, and last she can rest.

7

It is special because she likes to
be alone.

7

Because it reminds him of
places.

12
