### ACN Pre-Registration Guide for Families

(May 2022)

The All Course Network (ACN) is now accepting pre-registration applications for Summer 2022 and the 2022-23 school year (Fall, Spring, Yearlong). Students who *will be in* grades 9-12 for the 2022-23 school year (this includes *current* 8<sup>th</sup> graders!) should create a student account with a personal email (no school email addresses, please). For all other grades, a parent/guardian must add the student to their account to pre-register on their behalf. Courses will first fill by a lottery process. Once course lotteries run (before each semester), students and families will be notified via email and will have to log into their EnrollRI dashboards.

When pre-registering for courses, please adhere to the following choice maximums (allowable enrollments are less):

- Summer pre-registration maximums = 8 choices
- Fall and spring pre-registration maximums = 6 choices each semester
- Yearlong pre-registration maximum = 2 choices

All course choices submitted by the Friday, June 3rd deadline will then be entered into the 2022-23 lotteries, which will take place before each semester. The summer course lottery will take place no later than June 7 after which families will be notified to [log back in](#) to their **EnrollRI accounts** and take action to “accept” or “decline” any seats offered.

**Additional step-by-step instructions and screenshots are located below for additional help**
