

# Spring 2021 ACN Provider Application

RIDE recently received a federal grant (RethinkRI) and has the opportunity to significantly expand seats available on All Course Network for the Spring semester beginning in January of 2021. RIDE will be looking for additional providers to support this expansion through dual enrollment, career credential, work-based learning, AP, and enrichment courses. Additionally, for the first time ever, elementary school students are eligible to take ACN courses as well!

Thank you for applying to be a Provider on the ACN year and we hope to see many of you at the scheduled Technical Assistance sessions on October 28th and November 10th (additional details and Zoom links at [www.ride.ri.gov/advancedcoursework](http://www.ride.ri.gov/advancedcoursework)).
