

# 2021 Secondary Regulations Stakeholder Engagement Meetings

RIDE will be hosting a series of meetings throughout summer to help RIDE learn how reimagine the high school experience and graduation requirements to better meet the needs of all of our students. **These meetings will be hosted through Zoom and are open to all members of the public.** During these meetings, students, families, and educators from across the state will share relevant data and experiences from our schools on how to improve the high school experience. Meeting attendees will share feedback, participate in breakout groups and share ideas that will shape RIDE's recommendations to the K-12 Council.

## **June 23<sup>rd</sup> from 9:00 - 11:00 a.m.: Secondary Regulations - Meeting #1**

**Focus:** Share out, discuss, and provide feedback on RIDE's plan for engaging the R.I. community at large in these conversations and the three themes guiding the need to rethink the R.I. high school experience. These themes include:

1. The high school experience is not preparing our students for the future.
  2. The high school experience is not engaging enough of our students.
  3. High school has changed. We need to change how we support our students and families.
