

RI SAT School Day and PSAT 10 Accommodations Questionnaire, 2021-22

College Board and RIDE want to ensure that all students receive the accommodations in their IEP and 504 Plan on the RI SAT School Day and PSAT 10. This will help College Board and RIDE staff ensure the student is receiving the right accommodations on test day.

Directions: Because you entered an accommodation into SSD Online that is often entered in error or is mistaken for another accommodation, you must complete this questionnaire. There are multiple sections to this questionnaire. Complete *only* the sections that apply to the accommodation you are requesting. Once complete, upload the questionnaire into SSD Online.

Questions: Please contact College Board at 1-855-373-6387 and choose accommodation/SSD Office or Heather Heineke (heather.heineke@ride.ri.gov or 401-222-8493).

Emergency Accommodations: If a student needs an emergency, or temporary accommodation, do not enter in SSD Online, and instead use the form available at <http://www.ride.ri.gov/sat>.

NOTE: If a determination is made that an accommodation different than the one currently listed in the student's IEP/504 plan better meets the student's needs for state testing, the IEP team must amend the student's plan to reflect the change before testing.
