Commissioner's Foreword

February 2007

Dear Colleagues:

I am pleased to provide an updated list of approved bilingual dictionaries for use on MCAS tests by students with limited English proficiency. The list of bilingual dictionaries has been expanded to include languages and titles that were not on our previous list (published in January 2005). Whenever possible, we have included dictionaries with two-way translations (e.g., English-Spanish/Spanish-English).

Any current or former limited English proficient student may have access to an approved bilingual dictionary for MCAS tests. Approved bilingual dictionaries are limited to those that provide *word-to-word* (or *word-to-words*) translations, but no definitions. Students may not use electronic translation devices on MCAS tests. The use of dictionaries of all kinds is prohibited on the Massachusetts English Proficiency Assessment (MEPA).

While we would like to include a word-to-word dictionary for *every* language spoken in Massachusetts public schools, there are languages spoken in Massachusetts for which no allowable dictionary is available. Also, there are languages that have only oral, and no written forms. Students from diverse language groups continue to join our schools. We welcome your suggestions for additional entries and deletions to help us maintain an accurate, comprehensive, and current list. Please communicate this information via e-mail to mcas@doe.mass.edu or by phone to 781-338-3625.

We hope that the use of word-to-word dictionaries will prove to be a helpful MCAS accommodation for your English language learners who may be struggling to demonstrate their skills in a new language.

Sincerely,

David P. Driscoll
Commissioner of Education

**Bilingual Dictionaries Approved for Use by LEP Students
on MCAS Tests**

The Massachusetts Department of Education authorizes the following bilingual dictionaries for use on MCAS tests. Bilingual dictionaries are limited to those that provide word-to-word translations only. A list of publishers and distributors appears on the last page of this publication.

Note: Electronic translation devices are not allowed.
