SAT® SCHOOL DAY

Student Answer Sheet Instructions

This guide will help you fill out your SAT® School Day answer sheet—including where to send your four free score reports. Be sure to record your answers to the questions on the answer sheet. Answers that are marked in this booklet won’t be counted.

If your school has placed a personalized label on your answer sheet, some of your information may have already been provided. You may not need to answer every question. Your instructor will read aloud and direct you to fill out the appropriate questions.

How Answering These Questions Helps You

Opting in to Student Search Service® (marking “Yes” in Field 15) and answering Questions 16–38 helps you connect with colleges and scholarship opportunities. Through Student Search Service, nonprofit educational organizations can request information that you have provided on your answer sheet, but they won’t receive your actual test scores or phone number.

We strongly recommend that you answer all these questions, because your answers:

- Guide your counselors and college admission officers in helping you plan your future.
- Help the College Board ensure that the SAT is fair and accurate for all students.
- Provide information to colleges and universities to create a picture of the academic preparation, extra- and cocurricular involvement, and post-high-school plans of your graduating class.

Confidentiality

Your high school, school district, and state may receive your responses to some of the questions. Institutions that receive your SAT information are required to keep it confidential and to follow College Board guidelines for using information. See the SAT School Day Student Guide for more details, including how to opt out of Student Search Service if you change your mind.

Demographic and Nonetest Questions

Questions 1–8 Answer accurately to make sure your test can be scored. Remember to provide your last name, then your first name followed by your middle initial (if you have one) when answering Question 1. Your teacher or counselor will read the instructions for all the questions to you.

9–12. Home/Mailing Address Your home or mailing address is used to assist the College Board in matching your answer sheet to your College Board record. The College Board may contact you regarding this test, and your address will be added to your record. If you also opt in to Student Search Service (Question 15), your address will be shared with interested educational organizations such as colleges and scholarship programs.
