## *RICAS Mathematics – Grade 5 and Grade 6 – CBT*

This reference sheet lists the materials that can and cannot be used on RICAS Mathematics for grade 5 and grade 6 for *computer-based testing (CBT)*.

**Please note:** If a test administrator is administering a test to a student with accommodations documented in the student’s IEP or 504 plan, the test administrator must refer to the *Accommodations and Accessibility Features Manual*, the RICAS Test Administrator’s Manual (CBT), and (if applicable) the appropriate appendix in the *RISAP Test Coordinator’s Handbook* for more information so that the accommodation is administered properly. Accommodations materials are not listed specifically on this reference sheet.

### Computer-Based Testing *Prohibited* Materials

The following materials are prohibited during computer-based testing.	
Not Permitted At Any Time During Testing	Prohibited Until After A Student Has Completed Testing
<p>These materials are prohibited <b>at all times during a test session</b> (even if a student has finished testing and turned in all testing materials), including during a break or during the transition to a test completion area:</p> <ol style="list-style-type: none"><li>1. cell phones</li><li>2. other electronic devices<ul style="list-style-type: none"><li>• smart watches</li><li>• e-book readers or electronic dictionaries</li><li>• music players for one student’s personal use or that of the whole class, earphones, ear buds, or headphones (other than noise blocking)</li><li>• any device capable of taking photographs</li><li>• game consoles</li><li>• pocket translators</li><li>• calculators</li><li>• computers or electronic tablets other than the one being used for testing</li><li>• any device that provides access to the Internet (such as certain calculators and fitness trackers) other than devices used for testing</li><li>• editing devices (e.g., spelling or grammar checkers)</li></ul></li><li>3. # Computer-Based Testing *Required and Permitted Materials*

Please note that these materials are those provided by test administrators to students. Tools embedded in TestNav can be reviewed in the Test Coordinator’s Manual (page 33) and the Test Administrator’s Manual for CBT (pages 12-13). Further details about required and permitted materials can be found in the TCM (pages 31-37) and in the CBT TAM (pages 11-15).

*Reminder:* Calculators are *not permitted for students in grades 3-6 on either session* for RICAS Mathematics, except as a documented Special Access Accommodation (see the *Accommodations and Accessibility Features Manual*).
