

POWERUP
WHAT WORKS

Cut to the Core: CCSS Networking Conference
October 26, 2015

Meeting the CCSS with PowerUp:
Integrating Technology into Evidence-based Practices
Judith Zorfass, Education Development Center

U.S. Department of Education, Office of Special Education Programs, Award No. H327G090004

Introductions

Grade/role?

Student needs?

Available technology tools?

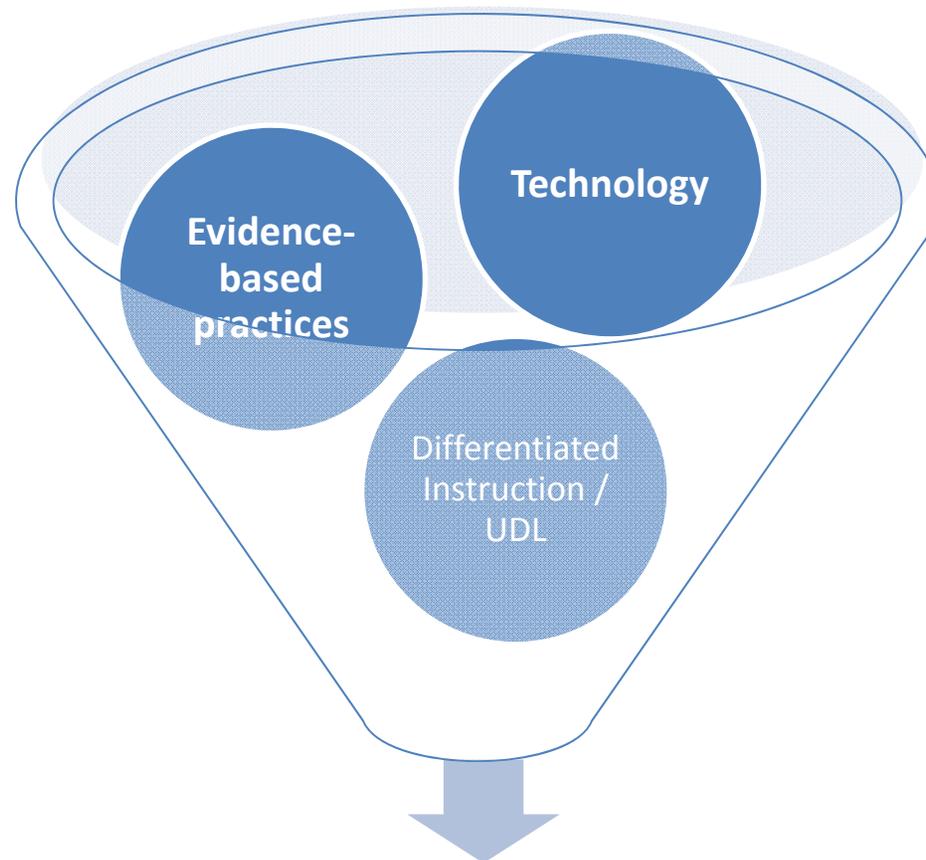

Goal for Today

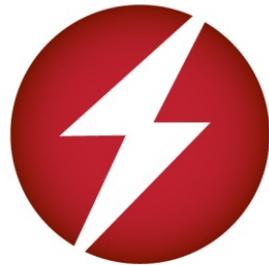

To answer the question. . .

***What does it take to ensure that
struggling students can
successfully meet the CCSS?***

It takes all three elements working together

**Students with disabilities
successfully meeting CCSS**
