Professional Development
for General EC Teachers & Ed Coordinators

Intro to the RI-Itinerant Early Childhood Special Education Service Delivery Model (RI-IECSE)

The training includes a focus on the role of the special educator, as well as the general early childhood teacher, while introducing the research behind the model, the rationale for adoption, the key features, and the alignment with RI's vision for supporting all young children within high quality early learning programs.

Mondays
4:15 pm - 6:15 pm

November 8th
November 15th
November 29th

All sessions will be held over Zoom.

Please register through the RIDE Workshop Registration System
http://www.eride.ri.gov/workshopreg

(Search for IECSE and then click on the Intro to the RI-IECSE Service Delivery Model with the correct start date.)

Contact ruth.gallucci@ride.ri.gov if having difficulty with registration.
