

## Appendix A – Program Signatures

The proposed program design adheres to the requirements outlined in the application.

The LEA will be responsible for the following:

- Ensure all students have the opportunity to participate in career exploration activities;
- Provide all eligible students the opportunity to enroll in an approved career preparation program;
- Provide a spectrum of career and college counseling services that include career awareness and exploration activities;
- Provide students and families with accurate information about the availability of approved career preparation programs and students' rights to apply and enroll;
- Provide students and families an appeal process in cases where students do not gain access to a career preparation program;
- Meet the career preparation program standards and participate in the state-managed quality assurance process;
- Collect and report accurate and timely CTE data including Program Accountability metrics;
- Manage CTE-designated funding in accordance with state and federal regulations;
- Adhere to RIDE-published cost guidelines in accordance with section 7.0 of the RI CTE Regulations;
- Provide students and families an appeal process in cases where students do not gain access to a career preparation program; and
- Engage and partner with businesses industry, higher education, and postsecondary training programs to improve student performance outcomes.
